

Help us make Holiday Wishes come true!

Adopt a local service provider and help them help the homeless community! All you have to do is select a provider, collect items on their wish list and then schedule a pick up anytime between now and Christmas. You are not expected to fulfill every item on the list, any donation is greatly appreciated!

For more information, contact Melanie Lewis at Melanie.lewis@denvergov.org
Additional information about Denver's Road Home and these service providers can be found at www.DenversRoadHome.org.
